

# IB Diploma Programme (DP)

The International Baccalaureate Diploma Programme (IBDP) is a rigorous and academically challenging two-year programme designed to prepare students for university and life beyond. It develops confident, independent learners ready to succeed in a global world.

## Developing Future-Ready Skills

The programme encourages students to become:

- Inquirers
- Open-minded thinkers
- Caring individuals

It promotes intercultural understanding and helps students respect and evaluate different perspectives.

## Academic Structure

Students study 6 subjects, including:

- 3 Higher Level (HL) subjects
- 3 Standard Level (SL) subjects

This ensures both depth and breadth of knowledge.

## CORE Components

All students complete three essential components:

- Extended Essay (EE) – independent research
- CAS (Creativity, Activity, Service) – personal growth & community engagement
- Theory of Knowledge (TOK) – critical thinking & understanding knowledge

# WHY CHOOSE IBDP?

- Prepares students for top universities
- Builds critical thinking and research skills
- Encourages global awareness and responsibility
- Develops well-rounded, lifelong learners
